6. Restrictions and Validation

---

1. Getting Started

1. Start the Application:
    - Run the **SystemMain** class to launch the application.
2. Main Window:
    - The main window of the application will appear, providing buttons to navigate to different management sections.

---

2. Main Menu Navigation

The main menu provides access to the following sections:

- **Manage Athletes**
- **Manage Subscriptions**
- **Manage Reservations**
- **Exit**

1. Manage Athletes:
    - Click on the "Διαχείριση Αθλητών" button to open the Athlete Management Window.
2. Manage Subscriptions:
    - Click on the "Διαχείριση Συνδρομών" button to open the Subscription Management Window.
3. Manage Reservations:
    - Click on the "Διαχείριση Κρατήσεων" button to open the Reservations Management Window.
4. Exit:
    - Click on the "Εξοδος" button to exit the application.

---

3. Managing Athletes

Athlete Management Window

1. Add Athlete:
    - Fill in the athlete's details in the provided fields.
    - Click the "Καταχώριση" button to register the athlete.
    - The athlete will be added to the system, and their details will appear in the table.
2. Update Athlete:
    - Select an athlete from the table by clicking on their row.
    - Modify the athlete's details in the fields.
    - Click the "Ενημέρωση" button to save the changes.
3. Delete Athlete:
    - Select an athlete from the table by clicking on their row.
    - Click the "Διαγραφή" button to remove the athlete from the system.
4. Process Payment:
    - Select an athlete from the table by clicking on their row.
    - Click the "Πληρωμή" button to mark their registration as paid.
5. Go Back:
    - Click the "Επιστροφή" button to return to the main menu.

---

4. Managing Subscriptions

Subscription Management Window

1. Create Subscription:
    - Select an athlete from the "Αθλητής" dropdown menu.
    - Select a sport from the "Άθλημα" dropdown menu.
    - Click the "Δημιουργία Συνδρομής" button to create the subscription.
2. Cancel Subscription:
    - Select a subscription from the table by clicking on its row.
    - Click the "Ακύρωση Συνδρομής" button to cancel the subscription.
3. Process Subscription Payment:
    - Select a subscription from the table by clicking on its row.
    - Click the "Πληρωμή Συνδρομής" button to mark the subscription as paid.
4. Go Back:
    - Click the "Επιστροφή" button to return to the main menu.

---

5. Managing Reservations

Reservations Management Window

1. Add Reservation:

    - Select an athlete from the "Αθλητής" dropdown menu.
    - Select a sport from the "Άθλημα" dropdown menu.
    - Select a training program from the "Πρόγραμμα Εκπαίδευσης" dropdown menu.
    - Select a coach from the "Προπονητής" dropdown menu.
    - Select a facility from the "Μονάδα" dropdown menu.
    - Select the reservation date from the "Ημερομηνία" dropdown menus.
    - Click the "Κράτηση" button to create the reservation.
2. Cancel Reservation:
    - Select a reservation from the table by clicking on its row.
    - Click the "Ακύρωση" button to cancel the reservation.
3. Apply Filter:
    - Select a filter from the "Φίλτρο" dropdown menu.
    - Click the "Εφαρμογή Φίλτρου" button to apply the filter to the reservations list.
4. Go Back:
    - Click the "Επιστροφή" button to return to the main menu.

---

6. Restrictions and Validation

1. Athlete Registration:
    - Ensure all fields are filled before registering an athlete.
    - Athletes cannot be registered with duplicate details (same name, gender, birthdate, and contact information).
2. Subscription Creation:
    - Athletes must have their registration paid before subscribing to a program.
    - Athletes cannot have multiple subscriptions to the same sport simultaneously.
3. Reservation Creation:
    - Athletes must have a valid subscription to the sport of the training program.
    - Reservations must be within the subscription period.
    - Reservations must not conflict with existing reservations for the same athlete and program.
    - Coaches and facilities must be available at the selected time.
    - Athletes must meet the gender and experience level requirements of the training program.

Conclusion

This user manual provides a comprehensive guide to navigating and using the Athletic Academy Management System. Follow the instructions to manage athletes, subscriptions, and reservations effectively. For further customization or development, refer to the source code and the provided classes.
